

Room Reservation System is Live

Reserve group study rooms, meeting spaces, and classrooms in the Cushing/Whitney Medical Library (CWML) through <https://rrs.yale.edu/>. The CWML offers **five** meeting rooms, **one** 125-seat classroom, and **eight** 16-seat classrooms. The E-level classrooms can be combined into three 32-seat classrooms.

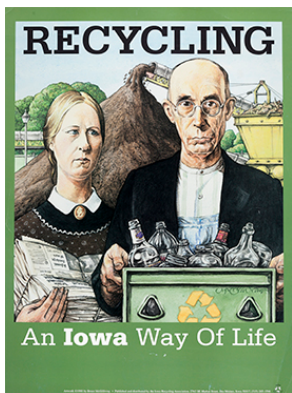

For a full list of bookable spaces, their features, and instructions on how to reserve them, please visit this page: [Places to Study and Collaborate.](#)

These rooms may all be booked in advance using the "CWML Standard Requests - 16 or Fewer People" or "CWML Special Request - More than 16 People" templates at <https://rrs.yale.edu/>. If available, you may also book certain rooms right on the spot at the panel outside the room using your yale.edu or yhh.org email address. When booking in advance, you may book one room per day for up to two hours.

Rooms that require facilities or AV support require at least two business days advance notice for approval.

If you do not see the CWML room reservation templates at <https://rrs.yale.edu/>, please email your name and NetID to AskYaleMedicalLibrary@yale.edu.

New Exhibit

Grant Wood's *American Gothic Repurposed* is a new exhibit currently on display in the Cushing/Whitney Medical Library that repurposes the famous painting to encourage recycling, opposing nuclear power, and growing marijuana.

New Resources

The medical library recently subscribed to three new resources:

- [ClinicalKey for Nursing](#)
- [Integrity](#)
- [MetaDrug](#)

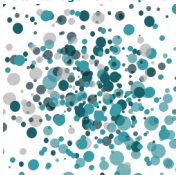

Walk-in Wednesdays

Considering a new research project but don't know where to start? Using citation management software but need a little help to get to that next level?

Drop by on Walk-In Wednesdays to get answers!

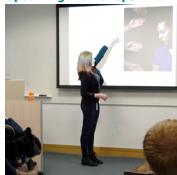

Data Management Drop-ins

Have a question about research data or research data management? Drop by the library's Data Management Office Hours to talk with your Data Librarian.

For other questions, contact medicdata@yale.edu.

Upcoming Workshops Email

Subscribe to our once-a-month email to learn about upcoming workshops offered at the Cushing/Whitney Medical Library.
