A Year in Review

This year was certainly one to remember! COVID-19 posed many challenges but also reaffirmed how essential our services, resources, and staff are to the medical community. Read about our year of reinvention, adaptability, and innovation in our [2019-2020 Annual Report](#).

NEW ACQUISITION

The Stanley B. Burns M.D. Historic Medical Photography Collection

Among the Historical Library's largest and most notable acquisitions to date, the Stanley B. Burns M.D. Historic Medical Photography Collection is an incredible archive of 15,400 images that celebrates the evolution of medicine and bears witness to untold human pain and loss from 1839 through the 1970s. HAPPY HOLIDAYS

Wonder How We Make Our Book Tree?

While we'll miss building a tree this year, we hope you'll enjoy these time-lapse videos of previous book tree builds.

Become a Medical Library Associate

Established in 1948, the Medical Library Associates have supported the medical library for over 70 years, helping enable its world-class services to the faculty, staff and students of the Yale Medical Center, today and for generations to come.

Membership provides the library with unrestricted support. Plus, Associates are granted special privileges, invited to annual lectures, and given physical access to the library and in-house use of our vast print and electronic resources. Membership starts at just \$50/year.
