

FEATURED

A Year in Review

We invite you to read about the novel and innovative ways in which we have supported the groundbreaking work of all members of the medical center in our **2022-2023 Annual Report**.

EXHIBITION

Yale School of Nursing Centennial (1923-2023)

This exhibition celebrates the growth and evolution of the Yale School of Nursing (YSN) over the last 100 years. Highlights include the early years of YSN, curriculum development, and tools of the trade. On view in the Cushing Rotunda until January 14, 2024.

NEW

New Databases, Resources, & Tools

We recently added dozens of new resources to our collections as well as upgraded access to some existing ones. Highlights include subscriptions to TRIP Pro, Sketchy Medical, 5Minute Consult, and the American Hospital Association Data.

OPEN ACCESS

Journals with APC Waivers

Find 180 journals relevant to the medical campus in which Yale authors can publish open access articles without paying article processing charges.

NOTABLE

Graphic Medicine Collection

Our newly created Graphic Medicine collection features graphic novels about various healthcare subjects.

SAVE THE DATE

Love Data Week 2024

The international data celebration returns in February 2024 and we want to know -- **what's your kind of data?**

Training & Events

Subscribe to our once-a-month email to learn about upcoming training and events at the Medical Library.

UPCOMING CLOSURES

Recess Hours

We will be closed for Thanksgiving and winter recess but the 24/7 Room will remain open to Yale/YNHH ID holders.
