From the Clinical Librarians

Dear colleagues,

Below please find a list of highlighted clinical resources available to you through the Medical Library.

As your dedicated librarians, we offer a range of personalized services to support you in your clinical practice and research. To learn more, please visit the [Support for Clinicians website](#).

14.3%

Highlighted Resources

[Incidence Prevalence](#) offers epidemiology-related disease incidence, prevalence, morbidity, mortality, trends, cost, risk-factors, and disease classifications for both developing and developed nations.

[VisualDX](#) is a diagnostic clinical decision support tool to enhance diagnostic accuracy, aid therapeutic decisions, and improve patient safety. It houses an extensive image library for clinical decision support. This is the premier and unique resource for helping with diagnostic accuracy and treatment in all skin types, including skin of color.

[ClinicalKey](#) is the point of care resource covering medical and surgical specialties. Includes procedure videos, clinical overviews, clinical calculators, patient education, drug monographs and drug overviews. As well, access full text material including books, book chapters, journal articles, and MEDLINE citations and abstracts from PubMed.

[NatMed Pro](#) (formerly Natural Medicines) provides information about natural medicines, including herbs, dietary supplements, sports supplements, minerals, and vitamins.

News

- [Love Data Week](#) events from February 12 - 14. 7.9%

Upcoming Office Hours

No appointment necessary, just drop in:

- Feb 14, 5pm - 6pm 1.6%
- Feb 15, 10am - 12pm 1.6%
- Feb 16, 10am - 12pm 0.8%
- Feb 17, 10am - 12pm 0%
- Feb 18, 10am - 12pm 0%
- Feb 19, 10am - 12pm 0%

We encourage you to discuss how librarians can help you in your clinical setting, including finding articles and information to support your practice.

We can also help with literature reviews, evidence synthesis projects, critical appraisal, citation management, and grey literature.
